Individual medals will be assigned to the first three places of every Female and Male category (YA, YB, U23) for VK, Skyrace and Combined.

Combined points will be calculated from the sum (VK + Skyrace) of percentages difference between individual and best ever time of every category.

World Champion Team will be assigned by ISF ranking points considering to the top four Skyrunners of every team (at least one per gender).

Doping controls: three females and three males will be selected for doping controls on urines after the Skyrace
